

Welcome Aboard!

Thank you for entering Anchors Aweigh! Live #6. This promises to be a fun show in which we will celebrate those wonderful original finish plastic Breyers and Stones, as well as including select divisions for original finish china/resins.

Traditional scale Breyer in-box models will be awarded to Grand Champions of the plastic divisions. If the show sells out, Reserve Grands will also receive traditionals. If not, they'll be presented classics. So encourage your friends to participate so we sell out!

Judges are still needed. If you are interested in judging, please let me know. All divisions are covered, but it's nice to have a back up in case of emergency. Also, I could use a couple more judges for the lunch time workmanship classes, both plastic and china.

The fire house will be offering breakfast items as well as lunch. I encourage folks to buy from them, as that is one way they make money. There are a few places in Sudlersville to get food as well. Also, you may bring your own, but there is no refrigerator available.

DO NOTE: Performance divisions will run as follows: Miscellaneous, Western, English. Susan may have to leave at lunch time, and I could get a backup English judge.

Thank you for taking the time to guesstimate the number of models of each type you will be bringing with you. This really helps me a lot. If your numbers have changed much, do let me know. I'll be figuring table space needed based on these figures.

We've had some donations offered – thank you so much! If you'd like to donate anything, please let me know. Day of show donations are great, but if you can let me know in advance, it helps me plan better (space needed, get photos on the website, etc.). The auction, raffle, and sponsorships are the main way in which we make money for Enchanted Haven Horse Rescue. I've had some NIB models donated, some beautiful OF Breyer/Stone models, and it looks like

we may have some gift cards from Office Depot and possibly a few other places, as well as some wine, and chocolate!

If you have any questions, don't hesitate to contact me. Do remember, I don't get on line much over weekends. Feel free to call, but please do so before 8 pm. Also, I will be out of town and probably have little or no internet access from October 22-27.

So... Full speed ahead, and looking forward to seeing you all soon!!
